

Tutorial of Mini Hand

7.5 cm

5 cm

Step1:
Draw a mini hand prototype on a paper.

Step2:
Cut two pieces of fabric hands, then sewing them together with a 0.5cm gap beside the copy line.

Step3:
Fold and stitch at the bottom part of the hand.

Step4:
Sew the wire at the bottom but not tight it, leave it open for filling stuffs.

Step5:
Fill the hand with the materials you like.

Step6:
Tight it up and you will get a mini hand.

Step7:
Add lace on the open side of the hand and write down the wish.
