

I THINK I  
AM HERE TO  
BRING  
PEOPLE  
TOGETHER

\*  
★ when I first attached the layers, I doubled them by folding the entire tulle rather than pleating which pushed the layers down (this needed to be fixed)

\*  
experimenting with draping the tutu upside-down

★ the pant pattern was for a child so it took several tries to fit the model

first complete tutu!  
(made using the same method as The Royal Ballet)

order of make:

- cut layers to various widths and lengths
- scallop edges
- pleat
- iron
- pleat again as you attach to pant

SCOLIOSIS BALLERINA
